new

The 821 Series is part of the **ProGuard Fit** line and provides the right fit for the right job. **One-size-does-not-fit-all** where the workforce has become increasingly diverse. The Fit line includes glasses for smaller facial structures, options that are fully adjustable, and eyewear with integrated reading magnification. These features will deliver **improved comfort** and **functionality** that will support compliance and help to reduce eye injuries.

Impact is proud to announce the 821 Series.

- Designed to better fit smaller facial sizes.
- Economical wrap-around single lens provides full panoramic view.
- Integrated nose piece.
- Soft, non-slip rubber temple tips provides non-binding fit.
- Polycarbonate lens provides 99.9% protection against harmful UVA and UVB rays.
